CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

Regulations of the Department of Health and Human Services, located at Part 376 of Title 2 of the Code of Federal Regulations (CFR), implement Executive Orders 12549 and 12689 concerning debarment and suspension of participants in federal programs and activities. Executive Order 12549 provides that, to the extent permitted by law, Executive Departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. Executive Order 12689 extends the debarment and suspension policy to procurement activities of the federal government. A person who is debarred or suspended by a federal agency is excluded from federal financial and non-financial assistance and benefits under federal programs and activities, both directly (primary covered transaction) and indirectly (lower tier covered transactions). Debarment or suspension by one federal agency has government-wide effect.

Pursuant to the above-cited regulations, NYeC may not knowingly do business with a person who is debarred, suspended, proposed for debarment, or subject to other government-wide exclusion (including any exclusion from Medicare and State health care program participation on or after August 25, 1995).

By signing this Contract or submitting a proposal, the prospective lower tier participant is providing the certification set out below:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS

- a. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to the other remedies available, the Federal Government, New York State or the New York State Department of Health may pursue available remedies, including suspension and/or debarment.
- b. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- c. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this Section, are defined in 2 CFR Part 180, as supplemented by 2 CFR Part 376.
- d. The prospective lower tier participant agrees by signing this contract or submitting a proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 2 CFR Part 180, as supplemented by 2 CFR Part 376, or 48 CFR Part 9, Subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the New York State Department of Health.
- e. The prospective lower tier participant further agrees by signing this contract or proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary

Exclusion-Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions.

- f. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 2 CFR Part 180, as supplemented by 2 CFR Part 376, or 48 CFR Part 9, Subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant is strongly encouraged to check the List of Parties Excluded from Federal Procurement and Non-procurement Programs in the System for Award Management.
- g. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this Section.
- h. Except for transactions authorized under paragraph (d) of this certification, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 2 CFR Part 180 or 48 CFR Part 9, Subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available, the Federal Government, New York State or the New York State Department of Health may pursue available remedies, including suspension and/or debarment.
- i. Certification regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions
 - i. The prospective lower tier participant certifies, by signing this Contract or submitting a proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal agency.
 - ii. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

By my Signature below, I certify that I am authorized to sign this Certification on behalf of my organization.

EXHIBIT 3

(Pages 36 - 55 of this Exhibit contains required Federal Clauses. Page 56 through and commencing on page 56 of 76, 2) ‘Appendix A’ “ STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS.” New York State Clauses.

FEDERAL AND STATE CLAUSES

I. FEDERAL CLAUSES

Consultant shall comply with all federal and state laws, regulations, and federal and state executive orders (EO). The terms and conditions provided in this Exhibit 3 shall be incorporated by reference as applicable. In the event of any conflict among the clauses applicable to this Exhibit 3 or among any other terms and conditions of this Agreement, including those not applicable solely to federal grants and/or contracts, the most stringent clause will apply.

Consultant agrees to flow down all clauses herein, as applicable, to lower-tier subcontractors. For the purposes of such flow-down clauses, references to “NYeC” shall refer to Consultant, “Consultant” shall refer to lower tier subcontractors, and “Agreement” shall refer to lower tier subcontracts.

A. CLAUSES APPLICABLE TO AGREEMENTS INVOLVING FUNDS FROM A FEDERAL GRANT OR COOPERATIVE AGREEMENT

If this Agreement involves the use of funds from a Federal government grant or cooperative agreement, or funds from a subcontract at any tier relating to a Federal government grant or cooperative agreement, the following clauses from 2 C.F.R. part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Guidance”), are incorporated into and form a part of the terms and conditions of this Agreement.

1. **Material Terms of Lower-Tier Subcontracts.** Contracts with lower-tier subcontractors for more than the simplified acquisition threshold (currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council [Councils] as authorized by 41 U.S.C. 1908), must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

2. **Termination of Lower-Tier Subcontracts.** Contracts with lower-tier subcontractors in excess of \$10,000 must address termination for cause and for convenience by Consultant including the manner by which it will be effected and the basis for settlement.

3. **Equal Employment Opportunity.** Except as otherwise provided under 41 C.F.R. part 60, to the extent this Agreement or an lower-tier subcontract meets the definition of “federally assisted construction contract” in 41 C.F.R. part 60-1.3, Consultant or its subcontractors agree to comply with the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, Equal Employment Opportunity (30 FR 12319, 12935, 3 C.F.R. 1964-1965 Comp., p. 339) as amended by Executive Order 11375 amending Executive Order

11246 Relating to Equal Employment Opportunity, and implementing regulations at 41 C.F.R. part 60.

4. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). If the Agreement is in excess of \$2,000 and pertains to construction or repair, and further, if required by Federal program legislation, Consultant shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. part 5). In accordance with the statute, Consultant is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Consultant must pay wages not less than once a week. The Consultant must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation for applicable lower-tier subcontractors. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The Consultant entity must report all suspected or reported violations to HHS and NYeC.

5. Copeland “Anti-Kickback” Act (40 U.S.C. 3145). If the Agreement is in excess of \$2,000 and pertains to construction or repair, Consultant shall comply with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Copeland “Anti-Kickback” Act provides in part that Consultant shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which it is otherwise entitled. Consultant must report all suspected or reported violations HHS and NYeC.

6. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). If the Agreement is in excess of \$100,000 and involves the employment of mechanics or laborers must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. part 5). Under 40 U.S.C. 3702 of the Act, Consultant must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7. Rights to Inventions Made Under a Contract or Agreement. If the Agreement is for the performance of experimental, developmental, or research work, in connection with a “funding agreement” under 37 C.F.R. 401.2 (a), Consultant shall provide for the rights of the Federal Government and NYeC in any resulting invention in accordance with 37 C.F.R. part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and comply with the requirements of 37 C.F.R. part 401 and any implementing regulations issued by the awarding agency.

8. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended. If the Agreement is in excess of \$150,000, Consultant

must comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to HHS, the Regional Office of the Environmental Protection Agency (EPA), and NYeC.

9. Debarment and Suspension. Consultant represents and warrants that it is not listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. part 180 that implement Executive Orders 12549 (3 C.F.R. part 1986 Comp., p. 189) and 12689 (3 C.F.R. part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Further, Consultant must comply with 2 C.F.R. part 180, subpart C and 2 C.F.R. part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier subcontract. Consultant shall have an ongoing duty during the term of this Agreement to disclose to NYeC any occurrence that would prevent Consultant from making certifying compliance with the requirements contained herein on an ongoing basis. Such disclosure shall be made in writing to NYeC within five (5) business days of when Consultant discovers or reasonably believes there is a likelihood of such occurrence.

10. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). If the Agreement is for \$100,000 or more, Consultant and its subcontractors shall file the certification required by 31 U.S.C. 1352 and associated regulations. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to NYeC.

By executing the Agreement, Consultant certifies, to the best of his, her or its knowledge and belief, that:

- A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form–LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

- C. The Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

11. Procurement of Recovered Materials (2 C.F.R. part 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. If applicable, Consultant shall comply with the requirements of section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

12. Prohibition on certain telecommunications and video surveillance services or equipment. Consultant shall comply with 2 C.F.R. 200.216 and is thereby prohibited from obligating or expending funds paid under this Agreement to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

13. Domestic preferences for procurements. Consultant shall comply with 2 C.F.R. 200.322. As appropriate and to the extent consistent with law, the Consultant should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). For the purposes of this section, (i) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; and (ii) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

B. CLAUSES APPLICABLE TO AGREEMENTS INVOLVING FUNDS FROM A FEDERAL GRANT OR COOPERATIVE AGREEMENT FROM CMS

14. Compliance with CMS Uniform Guidance. If this Agreement involves the use of funds from a Federal government grant or cooperative agreement, or funds from a subcontract at any tier relating to a Federal government grant or cooperative agreement, involving Centers for Medicare & Medicaid Services, Consultant shall comply with 45 C.F.R. part 75.

15. Compliance with CMS Requirements. Consultant shall comply with all procurement requirements, laws, and regulations referenced, and required of NYeC to flow down to Consultant, in the then-current Centers for Medicare & Medicaid Services Standard Grant/Cooperative Agreement Terms and Conditions. All such terms may be found at: <https://www.cms.gov/About-CMS/Contracting-With-CMS/ContractingGeneralInformation/Grant-Information/Grants-Resource-Library>.

16. Mandatory Disclosure of Fraud or Misconduct. As is stated under 45 CFR §75.113, Contractor must disclose, in a timely manner, in writing to NYeC all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to make required disclosures can result in any of the remedies described in §75.371, including suspension or debarment. (See also 2 CFR parts 180 and 376, and 31 U.S.C. 3321). The HHS Office of the Inspector General (OIG) maintains a toll-free number (1-800-HHS-TIPS [1-800-447-8477]) for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Information also may be submitted online at <https://oig.hhs.gov/fraud/report-fraud/index.asp> or by mail to Office of the Inspector General, Department of Health and Human Services, and Attn: OIG HOTLINE Operations, P.O. Box 23489, Washington, DC 20026.

C. ADDITIONAL CLAUSES INCORPORATED BY REFERENCE

18. Cost Allowability. To the extent this Agreement is a cost reimbursement contract directly or indirectly relating to a federal award or contract, Consultant shall only charge costs that are allowable under the cost principles specified in 45 C.F.R. Part 75, Subpart E, 2 C.F.R. Part 200, Subpart E, or 48 C.F.R. Part 31, as applicable, to Consultant’s entity and as supplemented or further specified by any federal award or contract award relating to this Agreement.”

19. Recordkeeping. Consultant shall maintain financial records, supporting documents, statistical records and all other records pertinent to the Federal award in accordance with Generally Accepted Accounting Principles. Accounting records that are supported by documentation shall at a minimum be adequate to show all costs incurred under the Federal award, receipt, and use of goods and services acquired under the Federal award, the costs of the program supplied from other sources, and the overall progress of the Agreement. Consultant shall include a provision to this effect in connection with any agreements with sub-tier

subcontractors. This provision shall apply until six years after final payment under the Agreement.

20. Access to Records. NYeC, any federal agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have immediate and full access to any books, documents, papers, and records of the contractor which are directly pertinent to this Agreement the purpose of making audits, examination, excerpts and transcriptions. Consultant shall include a provision to this effect in connection with any agreements with sub-tier subcontractors. This provision shall apply until six years after final payment under the Agreement.

II. STATE CLAUSES

21. Non-Discrimination. Contractor acknowledges and agrees, whether or not required by Article 15 of the New York State Executive Law (also known as the Human Rights Law) or any other State or Federal statutory or constitutional non-discrimination or civil rights provisions, including but not limited to the Americans with Disabilities Act, that Contractor will not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex (including gender identity or expression), national origin, sexual orientation, age, disability, pregnancy-related condition, military or veteran status, predisposing genetic characteristics, marital or familial status, domestic violence victim status, individual's relationship or association with a member of a protected category or any other basis protected by State and/or Federal law. Contractor is subject to Section 220-e or Section 239 of the New York State Labor Law for work performed under this Agreement. Pursuant thereto, Contractor is subject to fines of \$50.00 per person per day for any violation of this provision, which may be deducted from any amounts payable under this Agreement, as well as possible termination of this Agreement and forfeiture of all moneys due hereunder for a second or subsequent violation.

22. Equal Employment Opportunity. Contractor and any subcontractors shall undertake or continue existing Equal Employment Opportunity ("EEO") programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion,

upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

Contractor and any subcontractors shall have an EEO policy statement that includes the following language:

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its workforce.
- B. The Contractor and any subcontractors shall state in all solicitations or advertisements for employees that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- C. The Contractor and any subcontractors shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status, and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein.

The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by NYeC on a quarterly basis during the term of the Contract.

Separate forms shall be completed by the Contractor and any subcontractors.

Pursuant to New York State Executive Order #162 ("Ensuring Pay Equity by State Contracts"), Contractor and any subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.

23. Public Officers Law. Contractors, consultants, vendors, and subcontractors may hire former employees of the State. However, for informational purposes, in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a "lifetime bar" from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

24. Ethics Requirements. The Contractor and its subcontractors shall not engage any person who is, or has been at any time, in the employ of the NYS Department of Health to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the “Ethics Requirements”). The Contractor certifies that all of its employees and those of its subcontractors who are former employees of the NYS Department of Health and who are assigned to perform services under this Contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by the Contractor or its subcontractors and who is disqualified from providing services under this Contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its subcontractors derived from this Contract. The Contractor shall identify and provide NYeC with notice of those employees of the Contractor and its subcontractors who are former employees of the NYS Department of Health that will be assigned to perform services under this Agreement, and make sure that such employees comply with all applicable laws and prohibitions. NYeC may request that the Contractor provide whatever information the State deems appropriate about each such person’s engagement, work cooperatively with NYeC to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by NYeC, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. NYeC shall have the right to withdraw or withhold approval of any subcontractor if utilizing such subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. NYeC shall have the right to terminate this Agreement at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

25. Subcontracting

- A. The Contractor agrees not to subcontract any of its services, unless indicated otherwise in the applicable Statement of Work, without the prior written approval of NYeC. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.
- B. The Contractor may arrange for a portion(s) of its responsibilities under this Agreement to be subcontracted to qualified, responsible subcontractors, subject to the prior written approval of NYeC. If the Contractor determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance under this Agreement must be fully explained by the Contractor to the NYeC. As part of this explanation, the subcontractor must submit to NYeC a completed Subcontractor Assurance of No Conflict of Interest or Detrimental Effect form (Exhibit B to this Exhibit 3), as required by the Contractor prior to execution of this Agreement.
- C. The Contractor retains ultimate responsibility for all services performed under the Agreement.
- D. All subcontracts shall be in writing and shall contain provisions which are functionally identical to, and consistent with, the provisions of this Agreement including, but not limited to, the body of this Agreement and Appendix A to this Exhibit 3 – Standard

Clauses for New York State Contracts. All subcontracts between the Contractor and subcontractors shall expressly name the State as the sole intended third party beneficiary of such subcontract. NYeC reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make the State or NYeC a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against the State or NYeC.

- E. NYeC reserves the right, at any time during the term of the Agreement, to verify that the written subcontract between the Contractor and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this Agreement.
- F. The Contractor shall give NYeC immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under the Agreement. Any subcontract shall not relieve the Contractor in any way of any responsibility, duty and/or obligation of the Agreement.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$\$50,000 (or \$\$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$\$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds

said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$\$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$\$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$\$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$\$200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed,

color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was

awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit

by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the “Records”). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the “Statute”) provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State’s right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee’s identification number. The number is any or all of the following: (i) the payee’s Federal employer identification number, (ii) the payee’s Federal social security number, and/or (iii) the payee’s Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law.

Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. (c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if

their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing

written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the

determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

1.2 “**OSAS**” means any operating systems, applications or software that are used in any way in connection with Business Associate’s or its Representatives’ performance of the Underlying Agreement. To the extent applicable, OSAS may also include SHIN-NY.

Terms used but not otherwise defined in the Security Requirements shall have the same meanings as those terms are defined in HIPAA and the Business Associate Agreement.

2. DATA SECURITY PROGRAM

2.1 Program Requirements. Business Associate shall implement a data security program that is in compliance with HIPAA and the Security Requirements, and shall document the implementation of such program. Any associated technical, organizational, administrative and security measures will at a minimum also meet industry standards, including, without limitation, ISO 17799 and any successor standards thereto. The data security program at a minimum must address control architecture, encryption and data separation procedures, access control and verification, the presence or absence of audit trails, system testing and monitoring, disaster recovery and back-up, and program responsibility. Business Associate shall permit NYeC to review the data security program and to inspect Business Associate’s compliance with such program upon request.

2.2 Training. Business Associate shall provide comprehensive training to all Business Associate’s Representatives on the requirements contained herein, and with respect to the access, use, disclosure and security of OSAS and PHI, including compliance with HIPAA and all other applicable laws. Further, Business Associate shall provide copies of privacy and data security training materials and data breach incident response procedures to NYeC upon request. Business Associate further agrees to provide refresher training from time to time and as appropriate, or as part of a disciplinary action, for Representatives who are not compliant with the terms of this Agreement.

2.3 Access. At any time upon NYeC’s request, Business Associate shall provide NYeC with secure access to, and the right to review and retain the entirety of, all PHI in the possession or control of Business Associate or any of its Representatives. Business Associate shall provide such access to NYeC in real time and by the means and in the format reasonably requested by NYeC. At no time shall any PHI be stored or held in a form or manner not readily accessible to NYeC.

2.4 Audit. NYeC shall be allowed, upon reasonable prior notice, to perform an audit of the locations of any Business Associate or its Representatives at which PHI is accessed, stored or used. Business Associate and its Representatives shall cooperate fully with any such audit and

promptly remedy any deficiency identified by such audit. Business Associate shall perform periodic audits to confirm compliance with this Agreement, and if any deficiency is found, Business Associate shall promptly report such deficiency to NYeC and promptly remedy such deficiency. Business Associate shall maintain for inspection: (a) records of entry/exit for physical access to the facility that houses Potential Access Devices; (b) records of login/logout for access to infrastructure components that secure Potential Access Devices such as firewalls; (c) records of login/logout for access to OSAS, and a list of personnel with access to PHI; and (d) a list of all access control settings on all communications ports of the systems infrastructure that supports Potential Access Devices. These records shall be available within a reasonable time upon request for the previous month, and retained for three years following the termination of the Underlying Agreement. Business Associate shall have certified external auditors verify that its OSAS and platform access controls and system logs on Potential Access Devices are configured to industry standards.

2.5 Accounting of Disclosures. Business Associate shall document such disclosure of PHI as would be required for NYeC to respond to a request by any individual to which any PHI pertains, for an accounting of disclosures of PHI in accordance with the requirements of HIPAA.

2.6 Annual Tests. On at least an annual basis, Business Associate shall engage an independent third party to (a) conduct a penetration test of its systems for its hosting of OSAS and (b) test OSAS and their software codes for security vulnerability, and shall report the results and remedial actions being taken in light thereof, to NYeC in writing within thirty (30) days of the test.

3. BREACH, NOTIFICATION AND CORRECTION

3.1 Breach

(a) If Business Associate discovers, has reason to suspect, or is notified of a breach or potential breach of security, Business Associate shall immediately, and in no event later than five (5) business days of discovery of the breach or potential breach: (a) notify NYeC of such breach or potential breach and advise if the breach or potential breach involves PHI, and immediately shut down all access to PHI, Potential Access Devices, OSAS, or any other equipment at NYeC's request; (b) investigate (with NYeC's participation if so desired by NYeC) such breach or potential breach; (c) perform a root cause analysis and prepare a corrective action plan; (d) provide written reports of its findings and proposed actions to NYeC for its review and approval, including its rationale for the determination as to whether a breach has occurred with the documentation in support thereof; (e) remediate such breach or potential breach of security and prevent its recurrence, and report the remedial actions taken; (f) mitigate any harmful effects of such breach; (g) cooperate with NYeC in providing any notices that NYeC deems appropriate, and provide to NYeC the identification of each affected individual; and (h) comply with all other applicable laws, rules, and regulations then in effect. Business Associate shall comply with all of the above obligations at its sole cost and expense.

(b) If Business Associate determines that a breach has not occurred, Business Associate shall nevertheless provide NYeC with the rationale, and all documentation in support thereof, for its assessment. In the event of a disagreement between the parties as to whether or not a breach has occurred, the determination made by NYeC shall control and Business Associate must then fulfill all obligations in Section 3.1.

(c) Notice.
