Social Care Network Reference Tool:

Enhanced Services Screening to HRSN Services Code Mapping

Description:

This reference tool provides the coding to be utilized for each of the following activities:
- Accountable Health Communities Screening tool (LOINC coding system)
- Eligibility Assessment (ICD10 and SNOMED coding systems)
- Service referral and billing (SNOMED, HCPCS + modifiers/rate code coding systems) for **Enhanced Services,** only

As well as the recommended association between:
- Screening responses and Eligibility Assessment codes, and
- Eligibility Assessment codes and **Enhanced Service** codes

The reference tool is organized by the service domains of: screening, care management, housing, nutrition and transportation.

Use:

1) Identify if the Member is eligible for Enhanced Services
   - If the member **meets eligibility criteria for Enhanced Services**, this reference tool is appropriate for use

2) Tab: "Screening" - Code the interaction with the Member for the Screening activity

3) Tab: "Care Management"
   - Identify the questions for which the Member screened positive (#'s 1-12). Code the relevant LOINC codes
   - All Medicaid Managed Care Members who meet the criteria for Enhanced Services and are assessed to have the noted ICD10 conditions are eligible to receive the services within the red box
   - Identify the questions for which the Member screened positive and proceed to the right from the positive response and review the appropriate Eligibility Assessment codes (ICD10/SNOMED) and Service codes (SNOMED/HCPCS + modifiers/rate code) for the Member.
   - **A Member must meet the service-specific social risk and clinical criteria in order to be eligible to receive the service.**

4) HRSN Service Tabs: "Housing", "Nutrition", "Transportation"
   - Locate the Member's positive screening response(s) across the domains of Housing (questions #1-3), Food (questions #4, 5) and Transportation (question #6)
   - Proceed to the right from the positive response to review the appropriate Eligibility Assessment codes (ICD10/SNOMED) and Service codes (SNOMED/HCPCS + modifiers) for the Member. **A Member must meet the service-specific social risk and clinical criteria in order to be eligible to receive the service.**

Notes:

"Navigator Guidance" is provided to further support the appropriate use of suggested codes.
